# Business Model Assessment Questions

Key questions to assess a business model	
Client Segments	<ul style="list-style-type: none"><li>• Do we know our clients and their needs good enough?</li><li>• Are some customer groups likely to defect soon?</li><li>• Do we regroup different customer segments well enough</li></ul>
Offer	<ul style="list-style-type: none"><li>• Does our offer still cater well enough to our clients' needs?</li><li>• Do we know how our customers perceive our offer?</li><li>• Are our competitors proposing a similar offer at similar or better prices?</li><li>• How well are our customers served by other competitors?</li></ul>

# Business Model Innovation and Re-Design

Key questions to improve and innovate our business model	
Customer Segments	<ul style="list-style-type: none"><li>• Are there new customer segments we could serve?</li><li>• Could we regroup/segment customers better according to their needs?</li></ul>
Value Proposition	<ul style="list-style-type: none"><li>• Could we offer our different customer segments more tailored needs?</li><li>• Do our customers have other needs we could satisfy relatively easily by ourselves or with partners?</li><li>• Could we complement our value proposition through agreements with partners (e.g. joint value propositions)?</li></ul>
